THE LITTLE BOOK

**EVERY SECRET YOU
NEED TO KNOW!**

The end of time is very soon...

INTRODUCTION

This book is a collection of my works based on exhaustive research compiled over a period of a decade after beginning a journey to seek the truth.

In the early days of this journey I was drawn to the Seventh-day Adventist Church. During my time there I began receiving messages from God. However, I ended my affiliation after the church rejected both my received messages and the findings from my biblical research that were also endorsed by God.

I only care about having the divine truth and I believe that I have that truth because it is strongly based on biblical evidence, prophecy, logic and nature as opposed to tradition, bias, feelings, occultism and hunches. I always go where the truth is, even if I need to make a retraction because the truth matters more than my pride of being right.

May you prove all things and walk in the light,

Paul Heinlein

PROPHECIES

In dreams...

"I saw Jesus crucified from a distance, and it was narrated to me that he died on the full moon."

Paul Heinlein, 24 February 2013

"Lucifer is a spoiled brat who meddles without invitation into the lives of people. Love is the key!"

Paul Heinlein, 27 March 2013

"The Ellen White book 'Ministry of Healing' has over 20 non-scripturally supported errors."

Paul Heinlein, 25 October 2015

"Instead of isolation, explain to individuals that disobedience gives Satan an opportunity to lead the church astray with a distracting false message."

Paul Heinlein, 14 February 2016

"In China, sirens sounded, thousands of meteorites struck the earth, destroying buildings and cars."

Paul Heinlein, 2 June 2018

"Pres. Trump, while walking down a path in a park, was attacked by a woman, had his hair pulled back, surrounded by guards, a gunman aimed point blank at his chest, and only a faint black smoke."

Paul Heinlein, 2 December 2024

Cancer is not a disease but a survival mechanism that behaves parasitically when out of control. It is mostly caused by: poor diet (lack of food nutrients, food packaging, processed foods, additives, microwaving, and overcooking); lifestyle factors (dehydration, lack of exercise, and mental stress); and commercial food practices (hormones, steroids, vaccines, antibiotics, GMOs, pesticides [killing organisms in soil that produce nutrients; the fertilizers only restore a fraction back], long distribution networks, and food irradiation). To be healthy, you should: eat at regular times; drink between meals; distill and remineralize your water; take supplements (such as "Vit. C, Ca Pdr, & L-Lys formula") ; avoid eating at night; take cold showers; walk after meals; eat both raw and lightly cooked, locally produced organic produce; reduce meat and dairy; sprout seeds; and use freshly squeezed juice (such as wheatgrass frozen at source). Water fasting can cure illness, but you should end a fast by eating light and slowly over many days to avoid harm. A peer-reviewed publication shows the cancer protocol IVM, MBZ, and FBZ leads to cancer cell death and halts growth.

"God intends to destroy the world."

Paul Heinlein, 26 August 2015

In the beginning was God (Yahweh) the Father. In six days he created heaven and Earth, the angels to serve him and maintain the Earth, and created man in his own image, allowing him to live in paradise. After that, he created a wife for man and told them to multiply. Malachi 2:10;

Genesis 1:1-2:4; Exodus 31:17; Jubilees 2:1-3 OTP; 1 Enoch 69:15-21 OTP

An atheist must believe in at least six miracles: Something from nothing, order from chaos, life emerging, personal awareness, reason arising, and morality from matter.

The simplest life-form contains in DNA the equivalent information of 7 sets of Encyclopedia Britannica. 90% of those gene sequences are essential for life, and their functions are unknown. All life is complex and not the byproduct of randomness.

God is pure love, desiring voluntary love from his creatures. He grants freedom of will, taking no pleasure in forced duty. Unchanging and all-knowing, God is slow to anger and very forgiving. He is righteous and kind in all his actions. Only the eternal, invisible, and immortal king is truly wise. 1 Timothy 1:17; Malachi 3:6; Isaiah 46:10; Romans 16:27;

1 John 4:8; Psalm 100:5, 119:137, 145:8, 17; Joshua 24:15

Although increased gun ownership has reduced violent crime by 49% since 1991, a propaganda campaign is at work to strip the Americans of their constitutional rights to own firearms for a future genocide. FEMA has been preparing in secret for years, camps all across America to detain citizens during a time of government-declared crisis.

Alex Jones: Infowars Police State 4: The Rise of FEMA (2010)

Vaccines are not safe and contain mercury, unrelated viruses, and many fillers (animal blood, rabbit brain, dog or monkey kidney, chicken embryo, fetal or calf serum, diploid cells from aborted human fetuses etc.) that can cause dangerous side effects. They compromise the immune system, cause new outbreaks, and an immunized person is still susceptible. Vaccines were introduced when the viruses they targeted were naturally dying out. They lie about there being no side effects and about mandatory vaccination laws. The US Congress passed a law that prohibits American citizens from suing vaccine companies for any reason as a direct result of lawsuits over child injuries and deaths.

The Bible teaches us that our world is frequently visited by angels from another realm. NASA STS-75 tether incident; National Press Club – Full Disclosure Project; Ezekiel 1; Revelation 12:3-4; Luke 10:18; John 18:36; Job 1:6-7

Secret societies such as the Jesuits, Freemasons, and Skull & Bones (of which both Bush presidents are members) have penetrated every level of government. The road layouts of many major cities are Masonic. The third political party in the USA was called the *Anti-Masonic Party*. The Qur'an is the main religious text in high-level Freemasonry. Islam, founded during a time when the common people were denied access to the Bible and therefore lacked discernment, allowing false teachings denying Jesus is lord / Messiah and the replacement of the Sabbath with Friday prayers. These omissions reveal that Islam is not of God.

With Democrats ailing and the strong Christian base within the Republicans, there is a new threat: the ecumenical movement. The Vatican seeks to unite all churches and believers under its authority, eroding doctrinal differences. The light of truth has no unity with darkness! 2Cor 6:14,11:2; Rev. 17:5,18:4; 1 John 1:6; Total Onslaught: That All May Be One, Walter Veith, ep. 224

A movement began in heaven that was led by Satan (formerly an angel known as Lucifer) to overthrow the government of God. Revelation 12:3-4; Isaiah 14:12-14; Ezekiel 28:13-19

God allowed this movement to carry forward into active revolt instead of destroying Satan because until fully developed, sin (violation of divine law) would not seem like the evil thing that it was and God did not want the inhabitants of heaven to serve him out of fear instead of from love. The Great Controversy, Ellen G. White, ch. 29

After Satan was banished from heaven, this conflict spilled over to our world due to the disobedience of one man (Adam), which resulted in Satan gaining control of the Earth. Revelation 12:6; 2 Corinthians 4:4; Luke 10:18; Job 1:6-7; Genesis 2:16-17,3:1-6; Romans 5:12,6:16

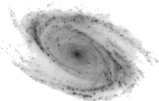

An invisible conflict has been waged ever since and has been going on for around 6,000 years. The losses that have occurred from this conflict are astronomical. The weapons being used are unconventional and what is in danger is your very existence. This is the conflict between good and evil. The primary weapons that have been deployed by Satan are lies and lures.

In conventional wars both sides use propaganda; however, in this conflict only one side is engaged in disseminating disinformation because God does not tell lies.

Numbers 23:19; Titus 1:2; Hebrews 6:18

For the good of the entire universe and for the countless generations still to come evil must be permitted to come to full maturity so that all can understand its horrors and true nature. The Earth became the testing ground for this evil to mature.

A plan was immediately put into action after the fall of Adam and Eve. Without the intervention of God... man would have been unable to resist the lure to sin, would have forever lost the Earth and be condemned to an eternal death. God said he would put enmity between Satan and his church and that it would result in a strike to Satan's head.

Isaiah 54:5-6; Jubilees 3:15-25 OTP

From the beginning it was taught that there can be no forgiveness of sin without the shedding of blood. The first blood was shed as an example

NASA, which runs the space program, is a hoax that faked the Apollo missions to put a man on the Moon. There is a collection of

overwhelming evidence, which includes for example, the Lunar Module lacked space for basic life-support systems. Had insufficient shielding for passing through the Van Allen radiation belt. Furthermore, photos from the mission reveal multiple light sources, no moondust on the landing struts, and no stars in the pictures. There is even duplication of terrain and an unexplained floating object in a helmet's reflection. Additionally, an unshielded camera took flawless pictures, which is highly suspicious. As NASA has not attempted to revisit the Moon in over five decades, the logical conclusion is that such a journey is impossible. It is also worth noting that NASA is full of satanic symbolism and Freemasons, who practice in the art of secrecy. According to Holy Scripture, space is actually water. Multiple telescope enthusiasts have captured water ripples moving over the lunar surface, including simultaneous sightings from different locations.

The American War on Drugs is a smokescreen to create a monopoly. The CIA has been caught importing large quantities of illegal drugs into America, including a plane crash involving a previous Guantanamo Bay transport. The CIA's "Fast and Furious" operation, with DOJ and ATF knowledge, armed Mexican cartels, allowing them to import tons of cocaine with unimpeded surveillance. These weapons have been used against US border agents and found at crime scenes in Mexico. Only cartels that refused to invest in US banks were eliminated. Alex Jones: Operation Fast and Furious — Government / CIA Trafficking Drugs and Guns

Man-made global warming is a hoax, designed to justify a UN global tax. The real cause is solar sunspot activity. Al Gore's hockey stick graph failed to make a crucial connection — increased temperatures actually cause carbon dioxide to be released from the oceans. Net-zero will guarantee deaths and cost far more than simply dealing with the aftereffects as they arise. The University of East Anglia, a highly influential institution at the UN's IPCC, was complicit in a cover-up to hide declining temperatures. to follow at the time God made Adam and Eve coats. This practice was continued by their child Abel who sacrificed a lamb as a sin offering to God. Genesis 3:21,4:1-7; Leviticus 5:5-7; Hebrews 9:22

Satan accused God of being a tyrant, his laws impossible to keep, questioned God's love for his creatures and his creatures' love and obedience towards him. Job 1:9-11,2:4-5; Zechariah 3:1-2; Revelation 12:10

All throughout history, there has always been a remnant of people faithful to God whom he has preserved. This line was preserved through the great flood and founded the Jewish nation. Romans 11:5; Hebrews 11:7; Galatians 3:16; Genesis 6:9-13,17:5,22:16-18

God spoke to the people over many generations using his prophets. This method of communication was the preferred choice by the people. Many of these prophets wrote down their words and these writings became known as Scripture, which has formed the majority of the Holy Bible. 2 Timothy 3:16; Hebrews 1:1; Exodus 20:19; John 5:39,46-47

The Ten Commandments, which are God's laws, are an expression of his love. They constitute the law of liberty that sets us free and teaches us right from wrong. Obedience to this law keeps us from evil, and thus adherence to it should be the measure for determining good character.

The story of Ruth illustrates how, through marriage and the birth of an heir, lost inheritance can be restored in accordance with the law, particularly during the Year of Jubilee. Ruth 4:5; Leviticus 25:8-34

Fiat money, used as currency today, has no real value because it is not backed by a commodity. Its value is enforced by coercion, which involves removing rival currencies and legalized theft, by money printing, causing inflation. The US dollar has lost 98.5% of its value since coming off the gold standard. JFK likely was assassinated for issuing the silver-backed US Note. 15 Fundamental

The personal income tax collected by IRS is illegal and unconstitutional. The US Constitution prohibits direct taxes on individuals, instead requiring apportionment among states based on census data. In 1916, the Supreme Court ruled that the Sixteenth Amendment did not grant new taxing powers. Lacking legal authority, the IRS is often accompanied by ATF agents during searches.

The Bilderberg Group is a secretive conference with attendees including the political elite, royalty, experts from industry, finance, academia, and the media. The media for decades denied their existence. They later admitted their mission was the forming of the European Union, and under the guise of trade deals, a North American Union and Asian Union would later follow, while the United Nations would serve as a world regulatory and enforcement body over the rest of the world. "We are grateful to the ... [media] whose directors have attended our meetings and respected their promises of discretion for almost forty years. It would have been impossible for us to develop our plan for the world if we had been subjected to the lights of publicity during those years. But, the world is more sophisticated and prepared to march towards a world government." David Rockefeller, June 1991

Moses, who led the Israelites out of slavery in Egypt told them that God would raise up a great prophet like himself and they should listen to him! Deuteronomy 18:15

God's son lord Jesus Christ (Yeshua), is this great prophet Moses spoke about. Furthermore, he came to save us from the penalty of sin by being a spotless sacrifice, thus replacing the animal sacrificial system which could never take away sin and was just a preview of the good things to come and restore our lost inheritance by adopting us as sons of God. 2 Corinthians 5:21; John 5:46; Acts 3:22,7:37; Hebrews 1:2,10:1-7; Romans 8:14-17

"For God so loved the world, that he gave his only begotten son, that everyone who believes in him should not perish, but have everlasting life." John 3:16

When Jesus Christ, who had never sinned, was murdered on a stake (not on a cross) by sinful men, the debate concerning sin was over. Satan was finally exposed as the liar and murderer that he was, and war broke out in heaven. Satan and his fallen angels were forever cast out of heaven. 1Pt 2:22; Mat. 27:1,45-50; John 3:14,8:44; Rev. 12:5-10; Num. 21:4-9

"The Lord is not being slow about his promise, as some people think. Instead he is being patient for your sake because he does not want anyone to be destroyed, but wants everyone to repent." 2 Peter 3:9

Anyone who is unrepentant, holds onto grudges (unable to forgive others), judges others hypocritically, rejects Jesus as lord / Christ or goes against God (e.g., during the time of the "Mark of the Beast") will be condemned to eternal destruction in hellfire. This occurs after the sleeping dead are resurrected and attack the holy city during the Gog and Magog conflict, which takes place 1,000 years after the second coming of Jesus. 2Th 1:9; Dan. 12:2; Ro 10:9; Lk. 13:3; Mt 6:14-15,7:1-5,10:28,25:46; Rev. 13:15-17,20:1-10,22:11

God's law (the Ten Commandments) was not abolished. But we are free from being under the law by accepting Jesus and fulfilling the principle of the law by loving God and loving others. It is important to understand how to keep the law because it is the definition of love and our guide towards righteous living.

Jeremiah 31:33; Matthew 5:17-18,19:16-19,22:36-40;
Galatians 3:24-25,5:1,5:14,18

During the end times you will be forced to make a choice between God or remaining part of the economic society controlled by Satan.

Hundreds of years of practice made the British experts at hiding their empire behind puppet governments and councils. In the name of stopping all future conflicts after World War I, they founded the League of Nations to form a framework for a world government. Many nations recognized it as a threat and refused to join.

Frustrated by the US Congress blocking the League of Nations, the Council on Foreign Relations was set up with the mission to abolish all nation states in favor of an all-powerful world government administered by a

tiny elite. After World War II they succeeded in setting up their world government with the founding of the United Nations and continued their plan with the incremental formation of continental super-states.

They attempted to form a super-state in Europe, a goal that had been pursued many times before. However, this time they succeeded, albeit through stealthy means: the Treaty of London in 1949 was presented as merely establishing trade ties with European nations, similar to NAFTA.

Then you have the impossible attack on the Pentagon, where NORAD stood down. An alleged airplane was able to fly in so low without hitting any street lamps. It then crashed into the only unoccupied and recently reinforced side of the building that could withstand such an attack. The debris left behind was not consistent with an airplane.

NIH admitted gain-of-function research with EcoHealth. Dr. Fauci oversaw funding for coronavirus research at the Wuhan Lab. Pfizer misled the public according to its own 6-month report data, as its vaccine offers less than 1% overall benefit with increased illness and death.

The agenda: destroy small business, voter fraud, cashless society, social credit system, mass censorship, surveillance, nanotech experiment, mandatory vaccinations, socialist dictatorship, and travel controls.

With the knowledge of God's law, you will be able to identify and discern the gravity of this choice. Revelation 13:15-17

The antichrist will reproduce all the miracles of past prophets except for being able to raise the dead because he has no power to give life.

Apocalypse of Elijah 4:31

"These people honor me with their lips but their hearts are far from me. They worship me in vain; their teachings being merely man-made rules." Isaiah 29:13; Matthew 15:8-9,19

Jesus came to save you from sin, not in sin. The biggest obstacle to salvation is self-delusion and spiritual ignorance. Your opinions have no power to save you if wrong. Doctrines and traditions that have not been directly initiated by God, and therefore not supported by Scripture are dangerous false teachings. You should carefully study the truth in all matters and don't give up on perfection.

2 Peter 1:20; 1The 5:21; Matthew 5:48,7:13-14; 1Cor 3:18; Deuteronomy 4:2

"Put on the whole armor of God so that you will be able to stand firm against the Devil's schemes. For we are not fighting against flesh and blood, but against rulers, authorities and mighty powers in this dark world and against evil spirits in the heavenly places." Ephesians 6:11-12

The sanctuary God commanded be built was a replica of the real sanctuary in heaven. It shows how sin is dealt with and how it cannot be ignored. The law cannot be changed to make the sinner not guilty. Sins must be paid either by the sinner receiving eternal death or by the blood of Jesus Christ who died on the stake.

1 Kings 8:27; Exodus 25:8-9;
Romans 6:1-2,23; Matthew 5:17; John 3:14

When a sinner was convicted of sin and wanted to confess they would come to the door of the courtyard with their sacrifice. They would lay their hands on the head of the innocent victim, confess their sins and then would kill the animal themselves. This was to impress upon the sinner that their sins would finally require the death of the spotless lamb of God.

Leviticus 4:27-29,5:7,11; John 1:29

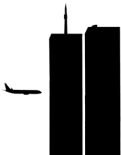

Some of the blood is then caught by the priest, the remainder is spilled onto the ground and then the animal is burnt on the altar. The blood captured is then transferred into the holy place by the priest who would first cleanse himself at the laver.

Leviticus 4:30-31; John 19:34; Exodus 30:18

Almost everything we are told is a complete lie. We are lied to so frequently that it has become socially acceptable and normal for our elected representatives to campaign on false promises.

The 9/11 attacks on the World Trade Center involving hijacked airplanes are one of the most grievous criminal acts a government has committed against its own citizens. The lies are exposed in the details including the facts that aviation fuel does not burn hot enough to melt steel, the BBC news reported the collapse of Salomon Brothers building (WTC7) 20 minutes before it happened, and Larry Silverstein (Leaseholder) admitted the Salomon Brothers building was "pulled" (an industry term referring to controlled demolition), a process that would have taken weeks of preparation.

The Salomon Brothers building held evidence which was destroyed for many FBI court cases. The 9/11 Commission, tasked to prepare a full and complete account, failed to mention this building in its official report. Fires do not cause skyscrapers to collapse inward on themselves at free-fall speed.

THE WORLD UNMASKED

Are you aware of what's
happening behind the scenes?

ALL THE WORLD'S A STAGE

In a dream...

"People will start to live in underground communities. It will seem like a good idea but isn't due to being unnatural."

Paul Heinlein, 22 November 2013

Inside the tabernacle the smoke of the incense represents the intercession of the holy spirit, making our prayers of confession acceptable to the Father. The blood is then sprinkled before the veil, thus transferring the guilt from the sinner to the tabernacle and this would accumulate throughout the year until the Day of Atonement. Leviticus 4:16-17; Romans 8:26-27

On the Day of Atonement the high priest takes two perfect young goats and cast lots to determine which one would be the Lord's goat and which

would be the scapegoat. The sins of the entire congregation would be transferred to the Lord's goat and killed. The blood would be sprinkled on the mercy seat (lid) of the ark of the covenant which contains the Ten Commandments, Aaron's rod that budded and a small pot of manna located in the most holy place. Leviticus 16; Exodus 25:16-17,16:33; Numbers 17:10

The high priest would then transfer those sins to the alive goat (scapegoat) and it would then be led away into the wilderness and set free.

Leviticus 16:10; Revelation 20:1-3

The Book of *Jasher* is another text that should be considered inspired because it is referenced thrice in the Holy Bible and harmonizes with long-lost Bible truths. Truths such as the Lunar Sabbath, which confirms that the Sabbath day was not violated during the seven-day attack on Jericho. Additionally, it openly declares the doctrine that Jesus was Enoch, when it writes that an angel took Enoch to have him reign in heaven as king, and it reveals that Melchizedek, king of Salem was Noah's son Shem. 2 Samuel 1:18; 2 Timothy 3:8; Joshua 10:13; Hebrews 7:1-3; Jasher 3:23,16:11-12,88:14 (Noah & Gould, 1840)

The Book of *Enoch* existed centuries before Jesus, yet it is considered more Christian than Jewish. It was also considered Scripture in the *Epistle of Barnabas* and by many early church fathers who referenced this book in their writings. Many second to third century church fathers like Justin Martyr, Irenaeus, Origen and Clement of Alexandria all make use of the Book of *Enoch*. Tertullian (160-230 AD) even called the Book of *Enoch* "Holy Scripture". The Ethiopic Church added it to its official canon and was widely known and read until rejected by the Roman Catholic Council of Laodicea in 364 AD. They Walked with God, Duane S.

Crowther, p. 57; The Esoteric Codex: Book of Enoch, p. 28

The Book of *Enoch* may have been rejected by the Jews because few may have thought such a book could have survived the flood, although Noah was entrusted to preserve such knowledge. If lost, it could have been restored under the inspiration of the holy spirit. It may also have been rejected because it preached concerning the lord. The Ante-Nicene Fathers, vol. 4, On the Apparel of Women, ch. 3

Our adversary Satan (the Devil) is a liar and a murderer who seized control of the Earth from mankind and wants to be like the Most High. He deceives the whole world and is angry because he knows he only has a short time remaining. 1 John 5:19, John 8:44; Isaiah 14:12-15; Revelation 12:9,12

In the final days Satan makes war with the remainder of God's true church that follows Jesus and keep the Ten Commandments of God. He will use deception, trade sanctions and force to cause them to disobey God's laws. Revelation 12:17,13:13-17

God knows the end from the beginning and demonstrated this in prophecy such as in the dream King Nebuchadnezzar of Babylon received. He saw a statue which represented his own and future kingdoms; the last kingdom is then destroyed by God at the end of time. Isaiah 46:10; Daniel 2:32-34

Daniel receives more details and was given the characteristics (depicted as beasts), and later some of the names to the kingdoms:

Daniel describes the final kingdom that is a mixture of the former (Rome; the beast with ten horns). The horns are ten kingdoms in Europe that come out from the collapsed Western Roman Empire. Then, another kingdom shall rise among them (aka beast with seven heads and ten horns; a conglomerate of all the previous beasts), different¹ from the earlier ones, and will conquer three kingdoms (Heruli, Ostrogoths and Vandals). It will unite religion with the state,²⁻³ speak blasphemies⁴⁻⁶ against God, persecute the saints⁷ and thinks to change times and laws⁸⁻¹⁰ (Calendar and Ten Commandments). It drives God's true church into the wilderness (underground) until the beast is wounded¹¹ after 1,260 years.

The Ethiopian Orthodox Church, which was part of the Coptic Orthodox Church of Alexandria, has its own independent canon. This canon includes the Deuterocanonical books that Martin Luther removed and a few Pseudepigrapha books that only exist as a whole in the Ge'ez language, such as the Book of Enoch, Jubilees, and I-III Meqabyan.

Hebrew, Greek, and Latin fragments of the Book of Enoch and Jubilees have appeared over the last few centuries from various sources, including the Dead Sea Scrolls. These fragments confirm the Ge'ez (aka Ethiopic) translations of these books to be good, most accurate, and trustworthy. . The New Testament Book of Jude, which Martin Luther said quotes sayings and stories found nowhere else, directly quotes the following passage from the Book of Enoch:

"And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord cometh with ten thousands of his saints, To execute judgment upon all, and

If such a council did assemble, it had no authority over Christianity, and the Deuterocanonical books were later canonized at the same time as the New Testament books by the Roman Catholic Decree of Damasus in 382 AD. This is the same collection of New Testament books used in the Protestant Bibles today.

Jesus Christ (Yeshua) cited a few verses only found in the Deuterocanonical books, such as:

The Deuterocanonical books were part of the Jewish Bible called the Septuagint (aka LXX), a Greek translation that was completed

There is a common misconception that only the 66 books contained within the Protestant Bibles are inspired. And if God (Yahweh) wanted us to read other books, they would be part of the Holy Bible.

The number of books contained within the Bible varies depending upon which Bible you use. And the Bible you use varies depending upon the era, your homeland, and Christian denomination.

The Catholic Bibles have 73 books while the Protestant Bibles today have only 66 books. The Bibles used by the early Protestants did contain more books. For example, the *Wycliffe Bible* has 76 books and the original King James Bible had 80 books until some were removed after 1825.

The books removed from the Protestant Bibles were known as the Deuterocanonical (aka the Apocrypha). The reason for their eventual removal was because Martin Luther, who had no divine authorization, removed those books and placed them in an appendix during the Reformation. Then printers later excluded them to reduce Bible costs. Luther and Canon, Jesus' Words Only

THE TRINITY DECEPTION

Have you been tricked

other gods?

THE OMEGA OF DEADLY HERESIES!

In a dream...

“Others are not ready to advance. Some will only continue on with the knowledge concerning the Father, son and the holy spirit.” Paul Heinlein, 7 Oct 2017

The Trinity, which teaches that the Father, son, and the holy spirit are all one God, has a complex history. This doctrine became established in Christianity through the Nicene Creed in 325 AD. However, this was not a natural progression; instead, religious leaders were forced to settle the question of the divinity of Jesus (Yeshua) under the penalty of death by Rome. In reality, the Trinity is a false teaching with pagan Egyptian origins, and lacks biblical support, along with their crucifixes. They both only have perceived legitimacy due to their long-established church tradition.

God (Yahweh) said:

"You shall have no other gods before me." Exodus 20:3

God also said:

"I am Yahweh, and there is no other: there is no God beside me: I strengthen you, though you have not known me"
Isaiah 45:5 YLT

It is written:

"You were shown these things so that you might know that Yahweh is God; besides him there is no other." Deuteronomy 4:35 YLT

The *Apocalypse of Elijah*, dated around second-century AD and has two versions, is based on a lost document and provides a more detailed account of the Book of Revelation prophecy concerning the Two Witnesses and confirms the account is indeed literal, as opposed to symbolic.

However, Ellen White's interpretation disagrees with the timeline given in the Book of *Revelation*. The letters to the seven churches, the seven seals and seven trumpets are written in chronological order. Therefore the third part of the sixth trumpet ("Two Witnesses") could not have been the "French Revolution" of 1789 because the earlier part of the prophecy ("Little Scroll"), which has been attributed as being the "Great Disappointment" of 1844 had not yet been fulfilled. Revelation 2-3,6-8:1,8:2-11:19;

Great Controversy, Ellen G. White, p. 454

There was no secret that came out of the "Great Disappointment" that Scripture did not clearly disclose. However, the "Lunar Sabbath" doctrine, which is not taught by Scripture but can be definitively proven without a contradiction, is fulfilling this prophecy and is also supported by the spirit of prophecy. John 18:20; Joel 2:28; Revelation 10:4,11

The Ten Kings are awaiting the formation of the Ten World Unions. Once they receive their kingdoms, within a month they will give their sovereignty over to the Papacy which, will form the one-world government (New World Order).

Daniel 2:34; Revelation 17:12-18

During the tribulation the people in Jerusalem are the only ones who give glory to God when struck by a punishment, which therefore indicates that they will convert from Judaism to Christianity. Ezekiel 20:34; Isaiah 11:11-12; Rev. 11:8,13,16:9,11,21

This mass-conversion to Christianity during a time of tribulation and persecution leads to the siege of Jerusalem, known as Armageddon.

Jesus confirmed the scribe spoke truth:

"You are not far from the kingdom of God."

Mark 12:34

The difference between other gods of different religions and the God of the Christians is plainly taught by the Apostle Paul while addressing the church in Corinth.

1 Corinthians 8:4-6

The Apostle Paul wrote:

“As concerning therefore the eating of those things that are offered in sacrifice unto idols, we know that an idol is nothing in the world, and that there is none other God but one.

For though there be that are called gods, whether in heaven or in earth, (as there be gods many, and lords many)

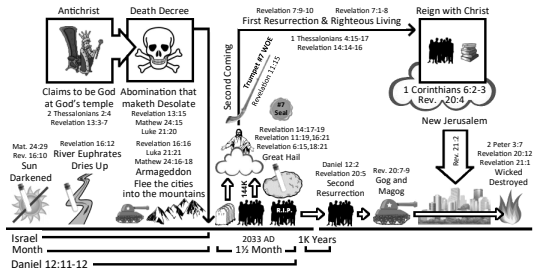

But to us there is but one God, the Father, of whom are all things, and we in him; and one lord Jesus Christ, by whom are all things, and we by him.” 1 Corinthians 8:4-6

In this passage, Paul explicitly identifies the “one God” as the Father only, and that Jesus Christ is lord (not also God) and there is no mention of the holy spirit either.

The holy spirit is the spirit of God, the breath of God, the Father, that dwells within Jesus. After Jesus was glorified, we gained access to this spirit of Christ, which is flowing rivers of living water from out of his heart moving like a dove. The holy spirit is not a third person.

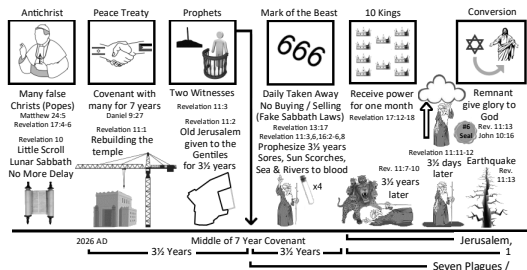

Gen. 2:7; Mt 3:16,10:20; John 3:5-8,4:10-14,7:38-39,14:10,14:16-18,20:22; Ro 8:9

thousand-year pattern. Twenty jubilees each representing 1,000 years (20 x 50); but being 980 actual years (20 x 49); add one to the last for a full 50-year jubilee. The 50th jubilee being when Israel entered Canaan in 1406 BC.

Genesis 6:3; Leviticus 25:1-22; Daniel 9:24; Jubilees 3:26,50:4 OTP

The seven heads are seven mountains on which the counterfeit church sits (the seven hills of Rome). They also represent seven kingdoms: the first five being Babylon, Medo-Persia, Greece, Rome, and Papacy. The sixth (Papacy wounded by Napoleon in 1798) became the seventh after the Lateran Treaty of 1929 which restored its sovereignty. The eighth is the same as the former fifth, when the Papacy power is fully restored, but now reigning over the entire world. Rev. 13:3,17:9-11

Jesus claimed the words he spoke are the works of his Father, that the Father is greater than he, and only the Father knows the day of his return. This does not represent Jesus as an all-knowing or co-equal Godhead.

Scripture teaches us that those who deny Jesus is the Christ are antichrist. Christ means anointed one of God ("the Messiah"); it does not mean God. 1 John 2:22

God elevated Jesus above all others; except himself and allows Jesus to temporarily sit at his right hand during the great conflict. It is written that all should confess that Jesus Christ is lord (it does not mention a confession "Jesus Christ is God"), and that at the end of the conflict his son will also be subject under God, so that God the Father will be utterly supreme over everything everywhere. The elevation of Jesus Christ also draws a parallel with the story about Joseph. 1 Corinthians 15:24-28; Hebrews 10:4-22; Philippians 2:9-11; Psalm 110:1; Genesis 41:39-44

Apocalypse of Elijah 3:1-18;
2 Thessalonians 2:4; Revelation 13:3-17

God will give power unto his two witnesses (Moses and Elijah) for the remainder of the new seven-year covenant period (3½ years), to deliver a final warning to the world.

Revelation 13:3-5; Matthew 17:3

Many people have misunderstood the Book of *Revelation* concerning the new seven year covenant and confuse it with the 1,260 years the church fled into the wilderness. However the book clearly states that after the beast (Papacy) was wounded (in 1798 by Napoleon) and later healed... there is a new future time period of 3½ years during which the beast reigns over all the nations. Therefore this cannot be linked with the time period in which the church fled into the wilderness because that time period ended when the beast was wounded and the Papacy has also not yet reigned over all nations. Revelation 12:6,13:3-7

The revealing of the secret contained within the “Little Scroll” brings forth the second part of the sixth trumpet prophecy and a warning that there shall be no more delay! Revelation 10:4,6

This secret is a salvation issue, as it must be disclosed to the entire world. It concerns the law — a crucial aspect we are currently observing incorrectly, whereas the Jews and Jesus previously observed it correctly. Jesus was able to remain a sinless offering because he spoke openly and kept no secret. 2 Corinthians 5:21; John 18:20; Revelation 10:11

It is received as both good and bad news because it brings us closer to God but also separates us further from the world. Rev. 10:9-10

This secret is the Lunar Sabbath doctrine. This is the Sabbath reform spoken of by the prophet Isaiah that must take place in the last days. Isaiah 56:1-8,58:12; Revelation 10:2,11

The rebuilding of God's temple in Jerusalem (Israel) will mark the beginning of a new seven year covenant in which the old city will

Common misinterpretations of Scripture used to support the Trinity doctrine:

Claiming God the Father is calling his son “God” when saying “*Thy throne, O God*”. But it is a quote from a king's wedding song written by the sons of Korach, and many Bibles translate this as “Your throne is God's throne”.
Hebrews 1:8-9; Psalm 45:6-7

Claiming God is a Trinity because a plural was used when saying “*Let us make man in our image*”. However, God was entrusting the angels with the custody of mankind (not to create them). In the next verse, it states that only God* created man and in his own image.
Genesis 1:26-27

* Also confirmed in *Deuteronomy* chapter 32, verse 15 by the use of Eloah H433, meaning a non-plural God.

Newer Bible translations compound the issue of misattributing Scriptures that describe God the Father to Jesus, for example, in *Colossians* chapter 1, verses 15 to 16.

Jesus said he comes in his Father's name, and the way to eternal life is to know him and the only true God that sent him. John 5:43,17:3; Ephesians 4:4-6

Jesus said why call me good? Nobody is good except God alone. Luke 18:19

Jesus is a man and was never an angel, because all angels are helping spirits for the heirs of salvation. Hebrews 1:13-14; Psalm 91:11; Jubilees 2:2

Jesus was not God's first begotten son; that was Adam, they were both men (made lower than the angels). Then Jesus became God's only begotten son after the downfall of Adam and was elevated to rule over all creation. This happened before Jesus was born by Mary. Hebrews 2:5-8; Psalms 89:27; Matthew 22:43-45; Acts 2:34-36

God is a spirit, and those that worship him must worship him in spirit and in truth; he is immortal, invisible and the only wise God.

1 Timothy 1:17; John 4:24

Belief in a false doctrine such as the Trinity separates us from God:

- It diminishes our example, Jesus Christ; as it implies he was only able to attain the victory over sin because he is God and therefore implies it is impossible for a man to have kept the law.
- Makes the title "son of God" exclusive instead of being applied to all God's chosen people, and therefore robs us of our inheritance. 1 John 3:1-2

The modern-day forming of the State of Israel is considered the fulfillment of prophecy concerning the gathering of the outcasts and the end of the 2,520 year period of punishment. Daniel 4:10-16; Isaiah 11:11-12; Leviticus 26:18-39; Ezekiel 20:34; John 10:16; Romans 11:17-22, 11:25-32

The lamb with two horns is the United States of America and the United Nations. Both arose from a sparsely populated area (symbolized by "the earth" as opposed to "many waters" which means peoples, multitudes, nations and tongues) and the United Nations has its headquarters on sovereign land in the city of New York making it the second kingdom! Revelation 13:11-12, 17:15

The first part of the sixth trumpet, which brings about the unnatural death of one-third of humanity, implies a future event involving multiple global plagues that will undoubtedly set the stage for enforcing the Vatican's false religion through trade sanctions. Revelation 9:3-4, 14-21

We are approaching the final days and now is the time to prepare to leave the cities and live self-sufficiently in the countryside to endure the future trade sanctions of prohibiting buying or selling (the "Mark of the Beast"). Revelation 13:16-17

Throughout Scripture you can find God's (Yahweh) seal. Six days you work; but not on the seventh. Six years you work the land, but not the seventh year. He shall deliver you in six troubles and in the seventh evil shall not touch you. If you buy a Hebrew slave, they shall serve for six years and then be set free in the seventh year. Exodus 20:8-11; Leviticus 25:3-4; Job 5:19; Exodus 21:2

A day to the Lord is like a thousand years.

2 Peter 3:8; Psalm 84:10,90:4; Genesis 2:17,5:5

The Mount of Transfiguration being a microcosm for the second coming and the 7,000 year pattern that was spoken of in the *Epistle of Barnabas* which said "in six thousand years the Lord God will bring all things to an end". Matthew 16:27-17:3; Mark 8:38-9:4;

Epistle of Barnabas 13:1-6

It has been approximately six thousand years since creation and the Earth will rest for a millennium after the second coming of Jesus (Yeshua). Revelation 20:2-7

It may appear the lord has delayed his coming, but he will arrive precisely on schedule. 1 Samuel 13:11-14; Matthew 24:48; Matthew 25:5

- It also diminishes the sacrifice that God the Father made by implying he was not taking a real risk of losing his son Jesus to sin; if Jesus was really God incarnate and therefore incorruptible. John 3:16
- If Jesus was truly God incarnate, he would not have been able to die during his crucifixion because it is written that God is immortal. 1 Timothy 1:17; Galatians 4:4; Matthew 27:50
- Makes the Investigative Judgment a farce because Jesus is the mediator between God and men. Scripture plainly states a mediator cannot mediate with himself. 1 Timothy 2:5; Galatians 3:20
- Trinity doctrine does not harmonize with all of Holy Scripture; a true doctrine would harmonize.

The Greek language lacks the definite article on *Theos* (meaning God, a god). Therefore, when Thomas called Jesus “My lord and my god”; it may have been a reference to Jesus’ temporarily elevated position of ruling with the same authority as God. 1 Corinthians 8:4-6; 15:24-28;

Exodus 7:1; John 10:33-35, 20:28; Psalm 82:6, 110:1

Most of the founders of Seventh-day Adventism strongly rejected the Trinity; Joseph Bates called it an unscriptural doctrine. James White referred to it as “old Trinitarian absurdity”, and for Merritt E. Cornell, it was a fruit of the great apostasy.

? If Jesus is not God; who is he?

The Holy Bible writes about a man named Enoch (the seventh from Adam) who pleased God, was an example to all generations, was unique, walked with God, was perfect and so righteous that God took him into heaven and he never saw death.

Genesis 5:24; Hebrews 11:5; Sirach 44:16, 49:14; Jubilees 10:17 OTP

THE LUNAR SABBATH

Are you actually observing the
Sabbath on the correct day?

THE LITTLE SCROLL SECRET REVEALED!

In a dream...

*"The man of sin is going after those
who are keeping the Lunar Sabbath."*

Paul Heinlein, 20 January 2013

*"For there will be those who will assuredly make observations of the moon — how (it) disturbs the seasons and comes in from year to year ten days too soon... For this reason the years will come upon them when they will disturb (the order), and make an abominable (day) the day of testimony, and an unclean day a feast day... For this reason I command and testify to thee that thou mayst testify to them; for after thy death thy children will disturb (them), so that they will make^{*4} the year three hundred and sixty-four days only, and for this reason they will go wrong as to the new moons and seasons and Sabbaths and festivals..."* Jubilees 6:36-38 OTP

^{*4} Translator Robert Charles indicated "will not make" wrongly omitted the negative and George Schodde translated it as "they make a year only".

Jubilees & Enoch are accepted canon by the Ethiopian Orthodox Church and extensive fragments were discovered among the Dead Sea Scrolls.

Jewish sources documented the switch to using a fixed calendar in 359 AD:

"The deplorable condition of Judaea led the then patriarch Hillel II to perform a deed of great self-denial. The method hitherto in vogue [i.e. the empirical calendar]... had become impracticable and often impossible on account of Constantius' persecutions..."

Paul's journey to Troas confirms the observation of lunar weeks because if you count backwards from the first day of the week, Paul would have violated the Sabbath using an uninterrupted week cycle by traveling on that day. Acts 20:6-7,12-13; Deuteronomy 16:1,3,8

God would have commanded his people to defile his own Sabbath if the New Moon day was part of the seven-day week during the seven day attack on Jericho. Joshua 6:3-5,14-16; Malachi 3:6; Numbers 23:19; Jasher 88:14 (Noah & Gould, 1840)

God allowed his Sabbaths to be forgotten due to disobedience, which was also prophesied to happen again! Hosea 2:11; Lamentations 2:5-6; Daniel 7:25; Isaiah 58:12-13; Joel 2:28

Book of Jubilees confirms the use of lunar weeks by declaring there are 52 Sabbaths*1 (comprised of 48 weekly Sabbaths and 4 New Moon days) that complete the year, except*2 every 3rd and 4th year*3, thus matching the pattern of the Metonic cycle for when a thirteenth month is added. A warning is given to those following only*4 a solar year of 364 days. 1 Enoch 75:1-2,82:11 OTP; Jubilees 6:23-38 OTP

*1 Confirmed in G. Schodde translation that these are 52 Sabbaths not weeks.
*2 Translator R. Charles indicated it was linguistically possible for "neglecting" from Jubilees 6:31 to instead be "intercalation" as Bernhard Beer suggested.

*3 Ge'ez text is ቸ፬ዓመተ from Jubilees 6:31 meaning "3rd and 4th year".

All appointed holy times are determined by using the Sun and Moon together, which is the calendar God (Yahweh) made for mankind at creation. Genesis 1:14,16; Psalm 104:19; Jubilees 2:8-9; Sirach 43:6-8

A day is the time between dawn and dusk that does not include the night. Genesis 1:5; Luke 24:1; Psalm 136:9; Jeremiah 31:35; Matthew 28:1; John 20:1; Ruth 3:14

The word "evening" means the time between noon and sunset. Jesus (Yeshua) being the Passover lamb, was killed in the middle of the afternoon, the 9th hour. Luke 23:44-46; John 1:29,11:9; Leviticus 23:5 YLT (using word H996, meaning "between"—the evening.)

A month is the duration of a lunar cycle. The first day of the month begins with the first dawn that starts with the Moon no longer in conjunction with the Sun, when the Moon is regaining light. 1 Enoch 73:4-8,78:12 OTP; Leviticus 23:24; Sirach 43:6-8; De Specialibus Legibus 2:140-141; Psalm 81:3 (using word H3677 from root H3680, meaning "to cover"; not "full moon")

God sanctioned six working days followed by the Sabbath day of complete rest. Leviticus 23:3; Exodus 20:8-9; John 15:10; Luke 23:56; Hebrews 4:4-11

Resting the night before Sabbath is customary. John 9:4; Judith 8:6; Leviticus 23:27,32; Review and Herald 25 Feb. 1868, p. 168; Nehemiah 13:19; Damascus Document ("Fragments of a Zadokite Work") 13:1

When God re-establishes his kingdom, all of mankind will return to the holy city Jerusalem on every Sabbath and New Moon. Each New Moon the tree of life yields a new type of fruit.

Isaiah 66:23; Revelation 22:2

The earthly Sanctuary, being a shadow of things to come, had it stipulated that the gate to the inner court will be shut on the six working days; but on the Sabbath day and New Moon day it shall be opened. Ezekiel 46:1

These three periods are not interchangeable. The weekly Sabbath cannot be one of the six working days; nor can the New Moon day be one of the weekly Sabbath days.

A pattern can be established using these three periods using the average 29½ days lunar cycle:

$$\begin{aligned} & \text{New Moon days} + \\ & (\text{Six Working days} + \text{Sabbath}) \times 4 \\ & \qquad \qquad \qquad = 29 \text{ to } 30 \text{ days} \end{aligned}$$

All seventh-day Sabbaths recorded in the Holy Bible which can be pinpointed to a specific calendar day have always occurred on either the 8th, 15th, 22nd or 29th day.

Philo Judaeus (25 BC to 50 AD) confirmed the Jews were observing lunar weeks and a Lunar Sabbath in his writings:

“a full moon, at the height of its increase at the end of the second week” De Congressu Eruditionis Gratia 1:106

“Some states keep the holy festival only once in the month, counting from the new moon... but the nation of the Jews keep every seventh day regularly, after each interval of six days;”

De Decalogo 1:96

“But to the seventh day of the week he has assigned (the beginning of) the greatest festivals, those of the longest duration...”

De Decalogo 1:161

The two annual week-long Jewish feasts are lunar weeks, exactly like the first week when manna fell. Leviticus 23:6-8,34-36; Deuteronomy 16:1-4,7-8; Exodus 16

Babylonians from an earlier time kept records of a religious calendar which divided the lunar month into four weeks. Rest Days: A Study in Early Law

and Morality, pp. 223-224; The International Standard Bible Encyclopedia, Howard-Severance Company, p. 2630

Fragments found among the *Dead Sea Scrolls* described the first day of the week as beginning after the 8th day of the lunar month.

The Conjunction, 30th day is also a New Moon day. Both days are celebrated as holy, and commerce on these days is not permitted.

1 Samuel 20:5; De Specialibus Legibus 2:41

The first month of the year occurs after the spring equinox and is called “Abib” (meaning fresh, young ears, or fresh heads of grain). An intercalary month is added if the spring equinox does not occur in the twelfth month.

Ezekiel 1:1-2,3:16,4:1-11,8:1; Jubilees 25:16 OTP; Genesis 34:1,35:22-26

The Moon has four naturally occurring weeks. The half moons, full moon, and old moon indicate when the heavenly ordained Sabbaths occur each month.

Eclipses are proof the Sun and Moon are the exact same size in the sky! The Moon also follows the Metonic cycle, which consists of 19 lunar years and equals 19 solar years. This synchronization is also considered another coincidence by science, yet God’s holy seal “Seven” can be found in complete years, which includes an intercalary 13th month. 1 Enoch 74:14-16

The ancient Israelites were observing four lunar weeks in each lunar cycle, which begins the day after the New Moon day. These claims can be verified in Scripture using the instructions for determining the Festival of Weeks (Pentecost). Leviticus 23:15-16; Deuteronomy 16:9-10

*“You shall count for yourselves from the day after the sabbath*¹, from the day that you brought the sheaf of the wave offering, seven sabbaths shall be complete, until the day after the seventh sabbath shall you number fifty days*², and then you shall offer a new grain offering to Yahweh.”* Leviticus 23:15-16

*¹ The “Sabbath” (the day before the sheaf of the wave offering was presented on) is the Sabbath ending the seven days of the Festival of Unleavened Bread. Therefore, it fixes the Day of First-Fruits only to the twenty-third day of the first month, always on the first day of the week. 2Ki 4:42; Leviticus 2:14,23:8-11; Deuteronomy 16:8-10; Exodus 12:15-20,13:6-7

*² The numbering of fifty days is to clarify “seven complete Sabbaths” means seven complete lunar weeks. Therefore, the New Moon days are not included when counting off the fifty days.

Seven lunar weeks from the Day of First-Fruits is Pentecost; on the sixteenth day of the third month, the same day Noah, Abraham, King Asa, the twelve apostles and the Israelites at Mount Sinai also celebrated Pentecost and entered into a covenant with

God; and Jacob celebrated it too and was told to leave for Egypt. Exodus 16:1,23:15-17,19:1-6;

sixteenth day of the third month, it provides the conclusive evidence that the weeks the Israelites were observing were lunar weeks, as this cannot occur each year with an uninterrupted weekly cycle.

On this calendar every month is identical, except the thirtieth (Conjunction) day is a leap day. On this day the Moon is invisible, being between the Sun and the Earth. This day serves the same purpose as the International Date Line (IDL). It puts travellers back on the same day as circumnavigating the globe (counting passing days) can cause the gaining or losing of a day, such as in the story *Around the World in Eighty Days* by Jules Verne.
